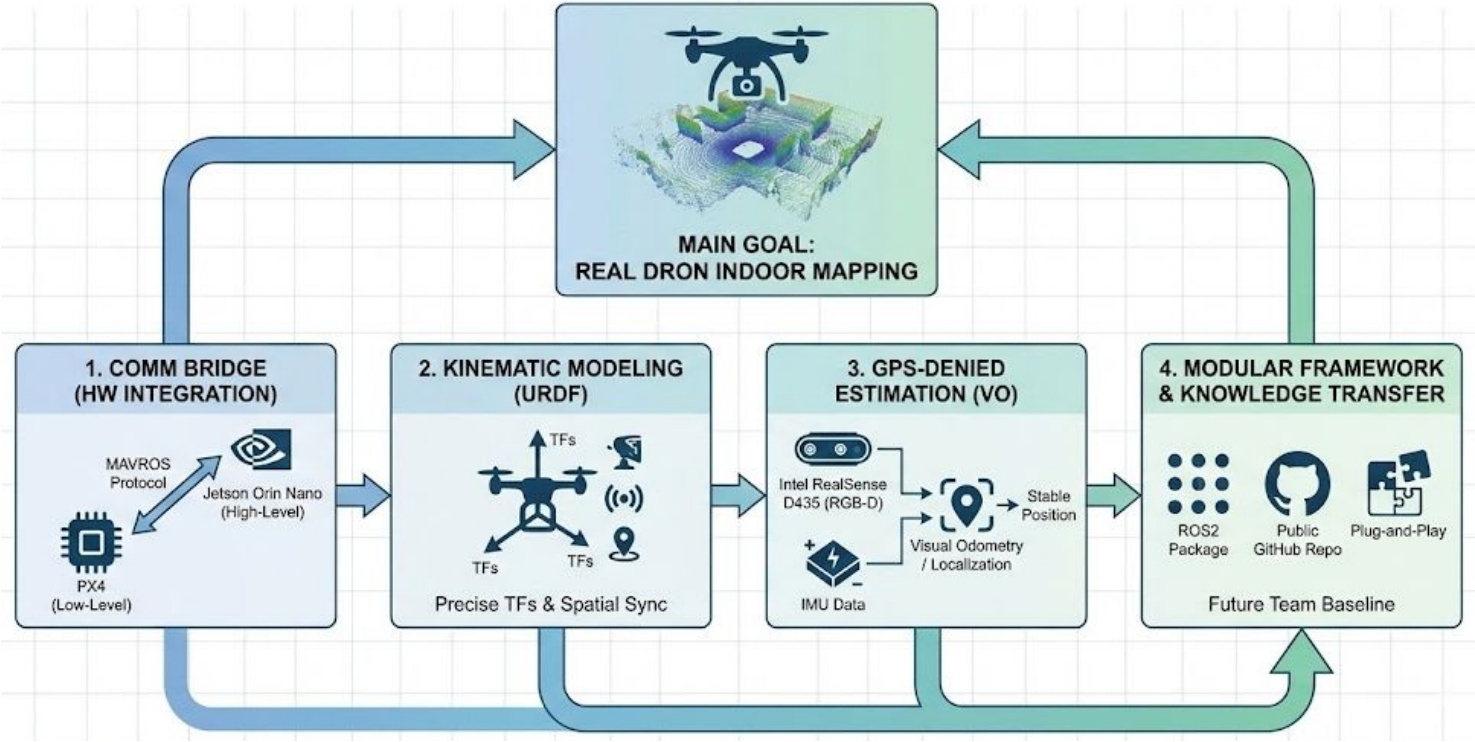
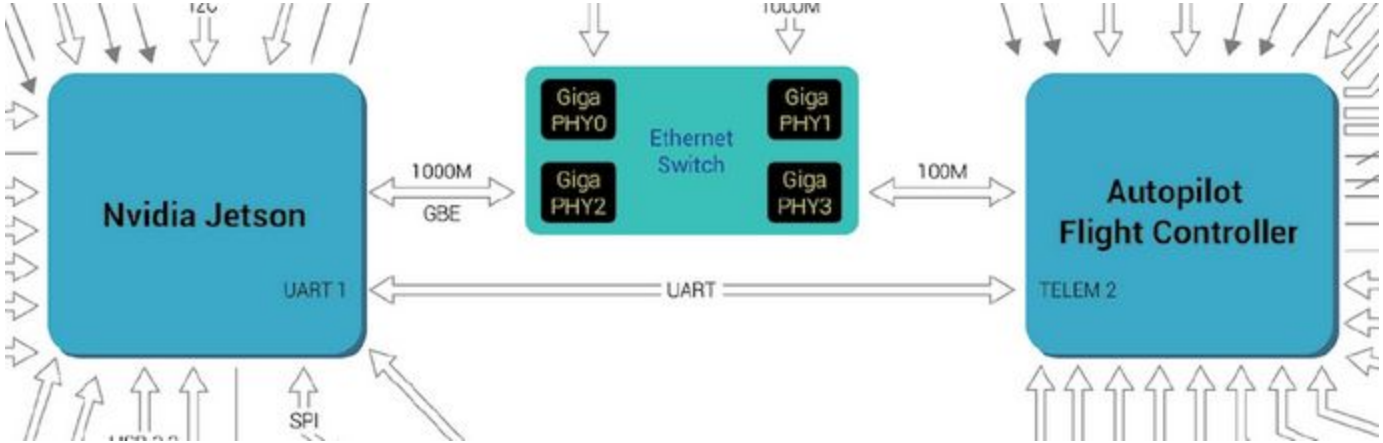
Objectives & Motivation



System Baseline (The Starting Point)

Setup & System Configuration



Jetson Jetpack

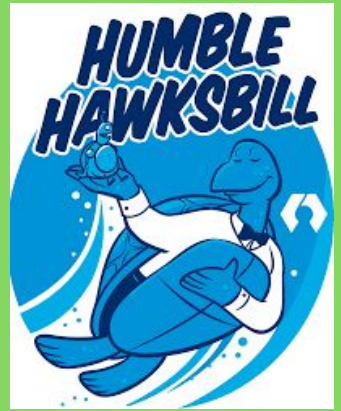
Version 6.2.2

CUDA 12.6

NVIDIA CUDA

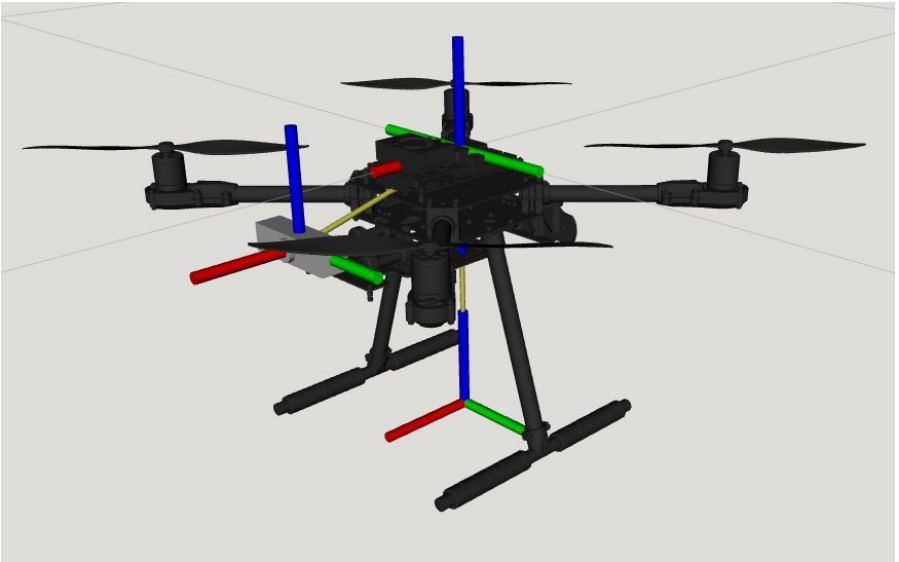
TensorRT + PyTorch

ROS2 Humble

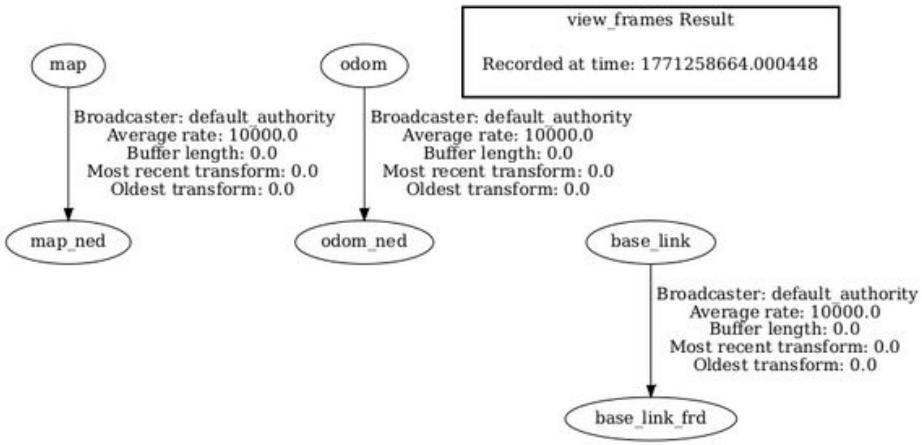


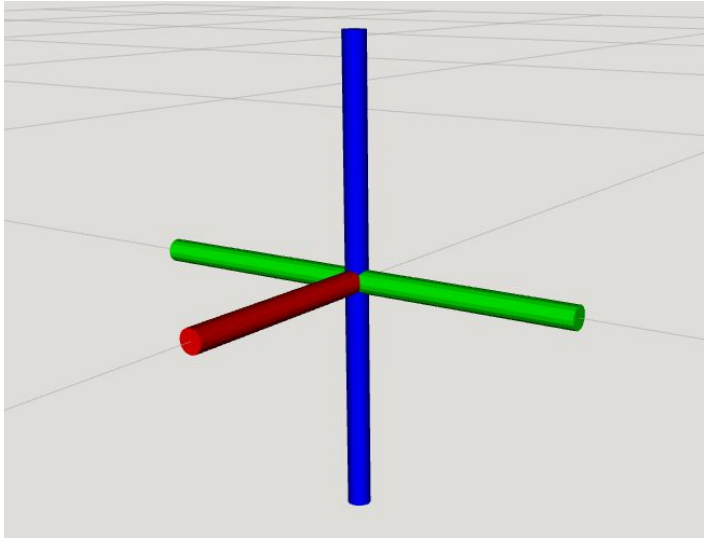
Ubuntu 22.04

Kinematics & Spatial Awareness

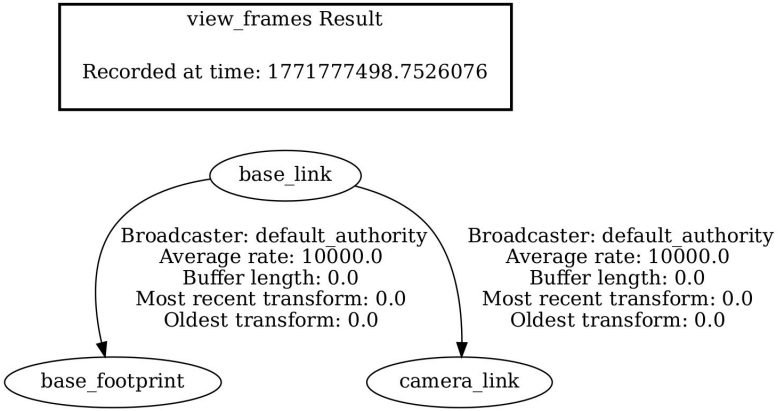


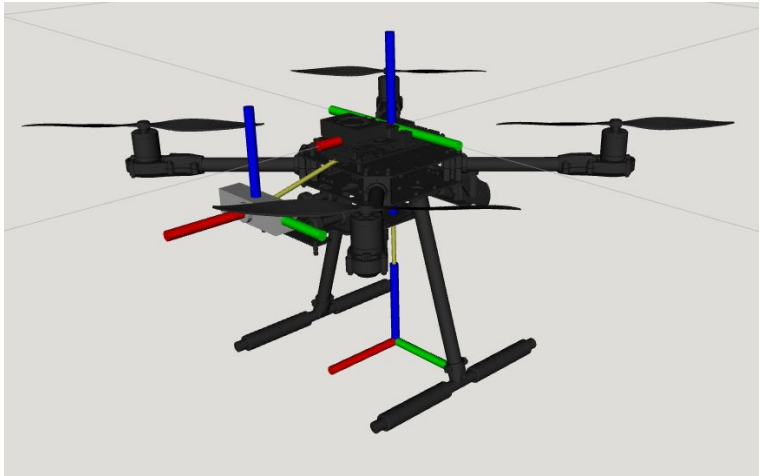
Kinematics & Spatial Awareness



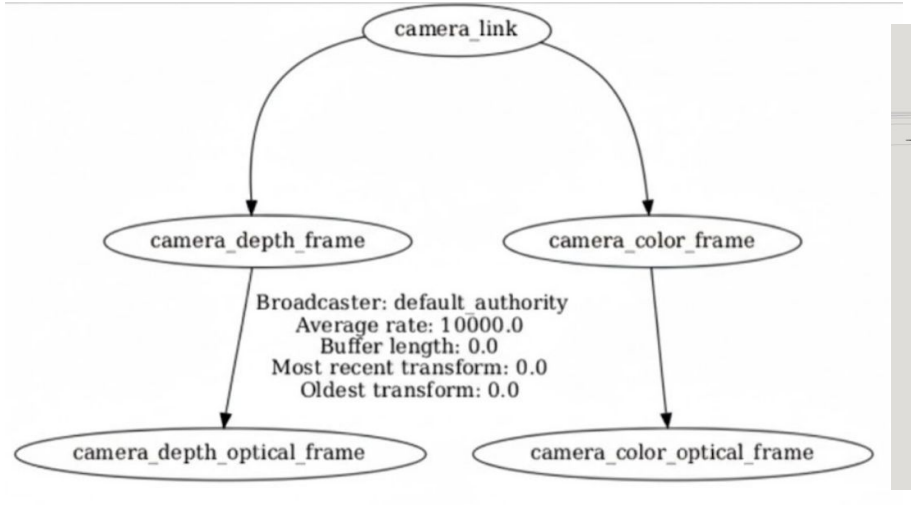


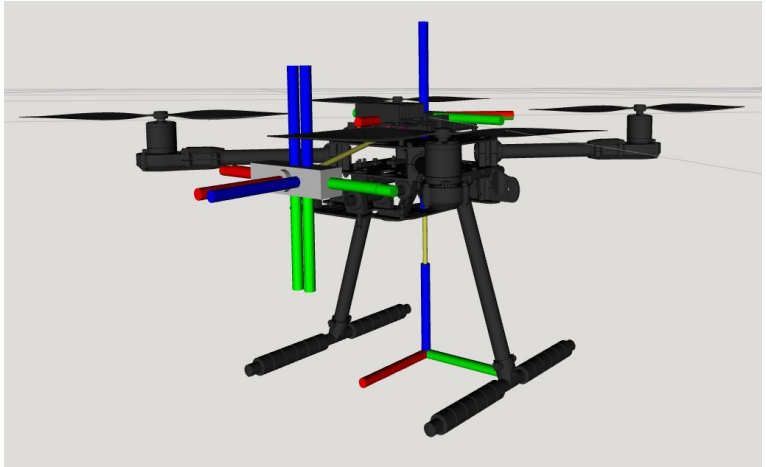
Kinematics & Spatial Awareness



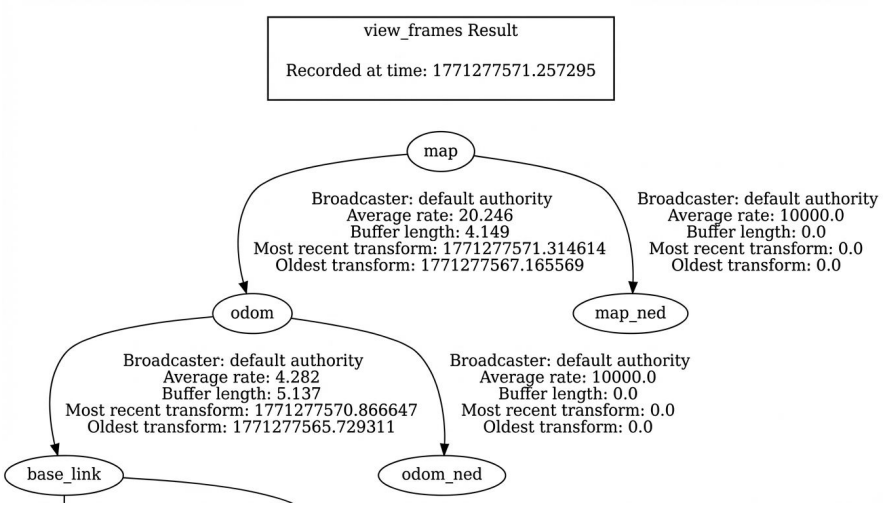


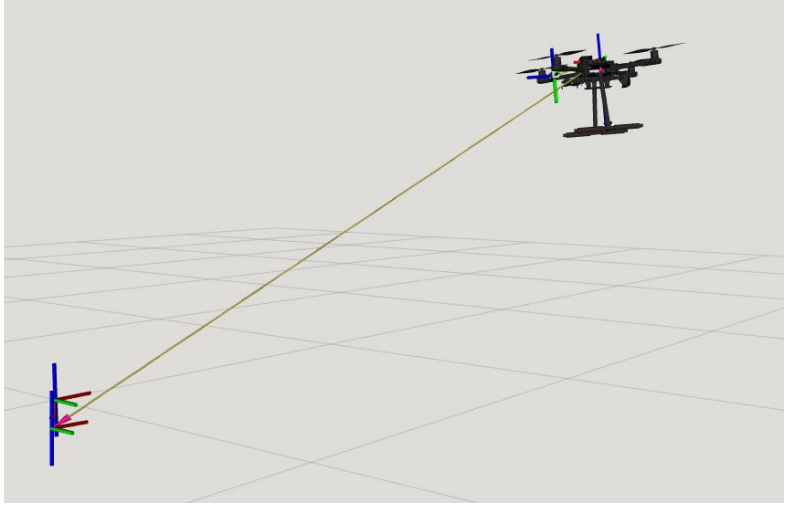
Kinematics & Spatial Awareness



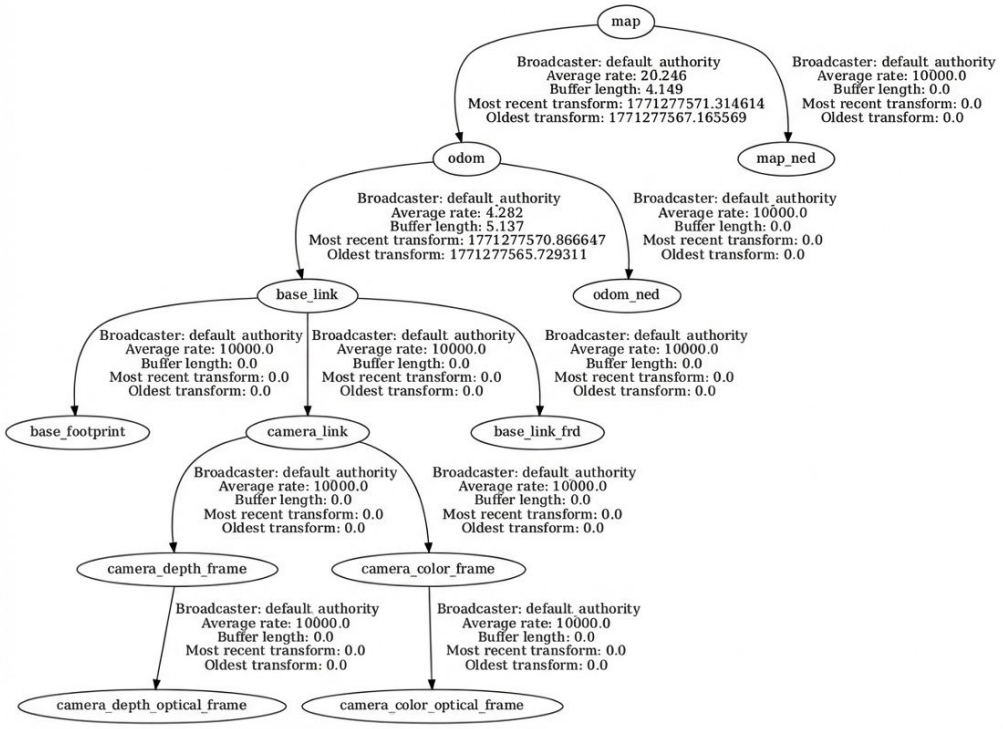


Kinematics & Spatial Awareness

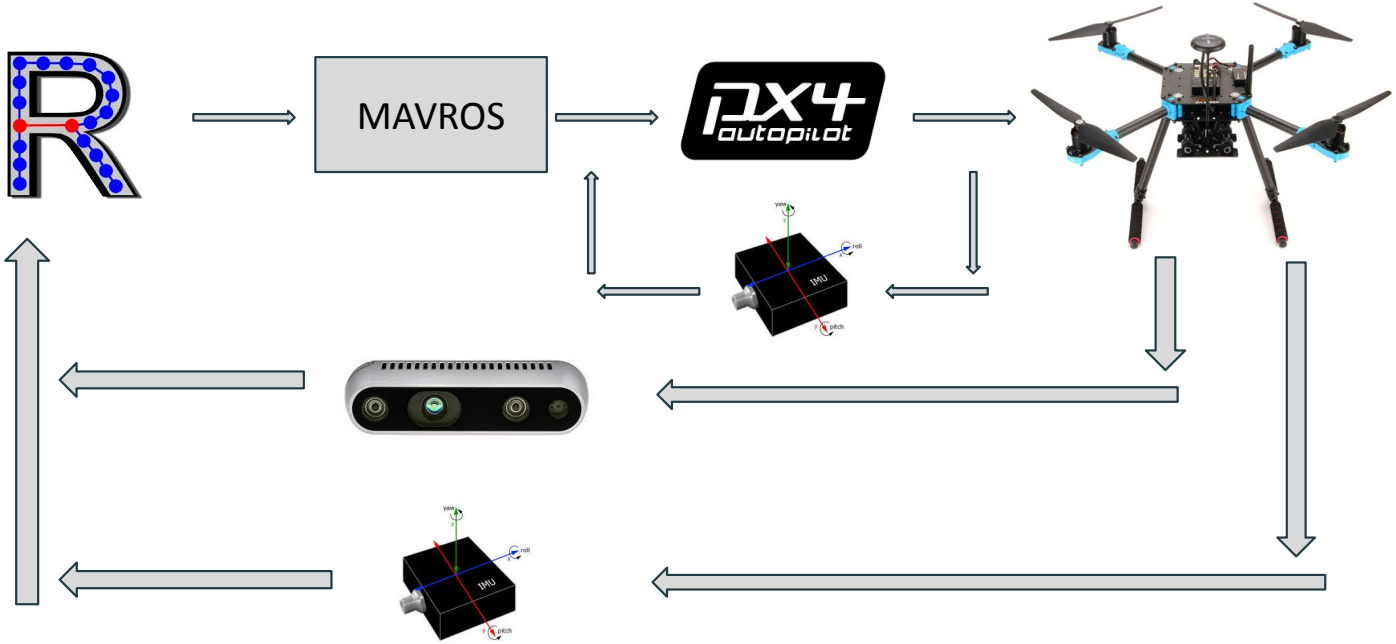




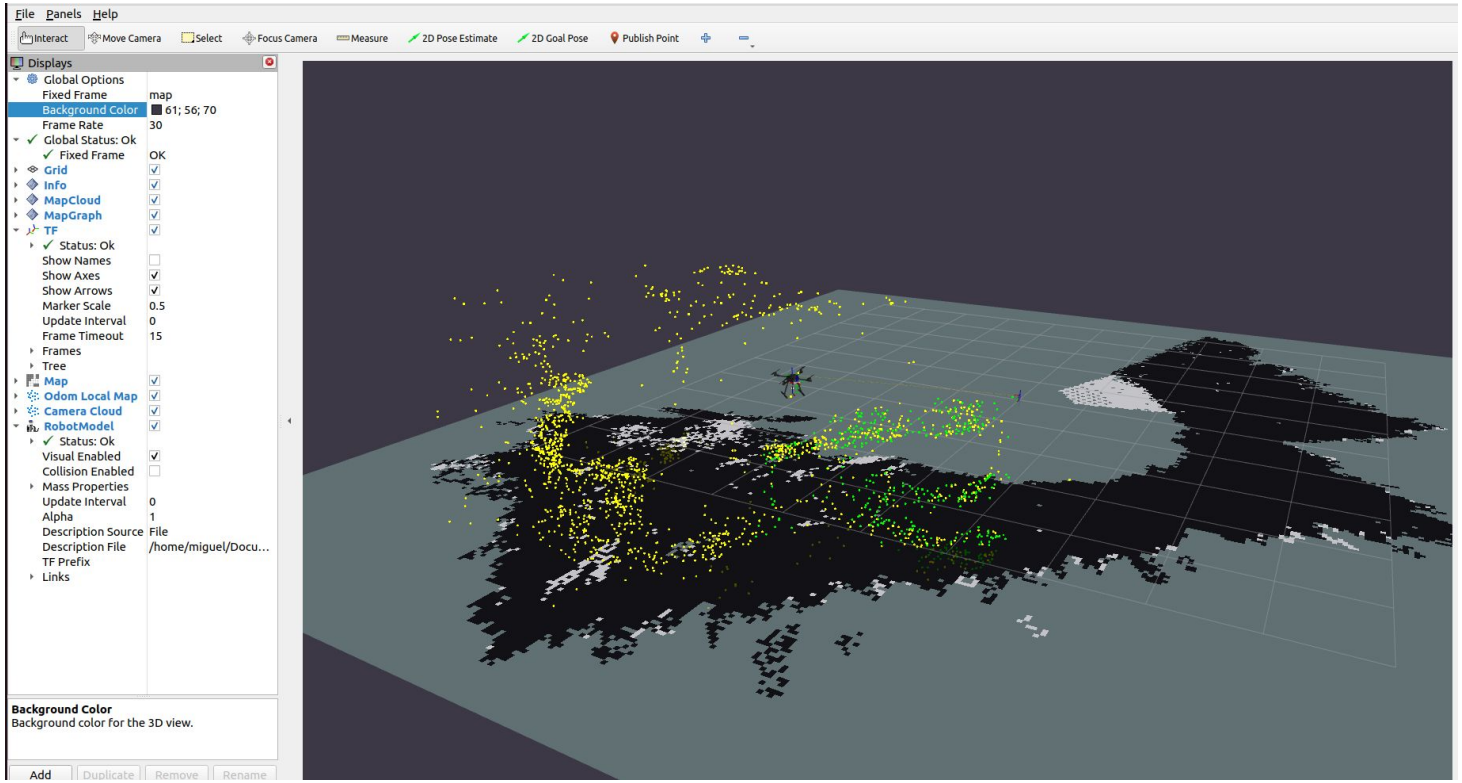
Kinematics & Spatial Awareness



Control Architecture

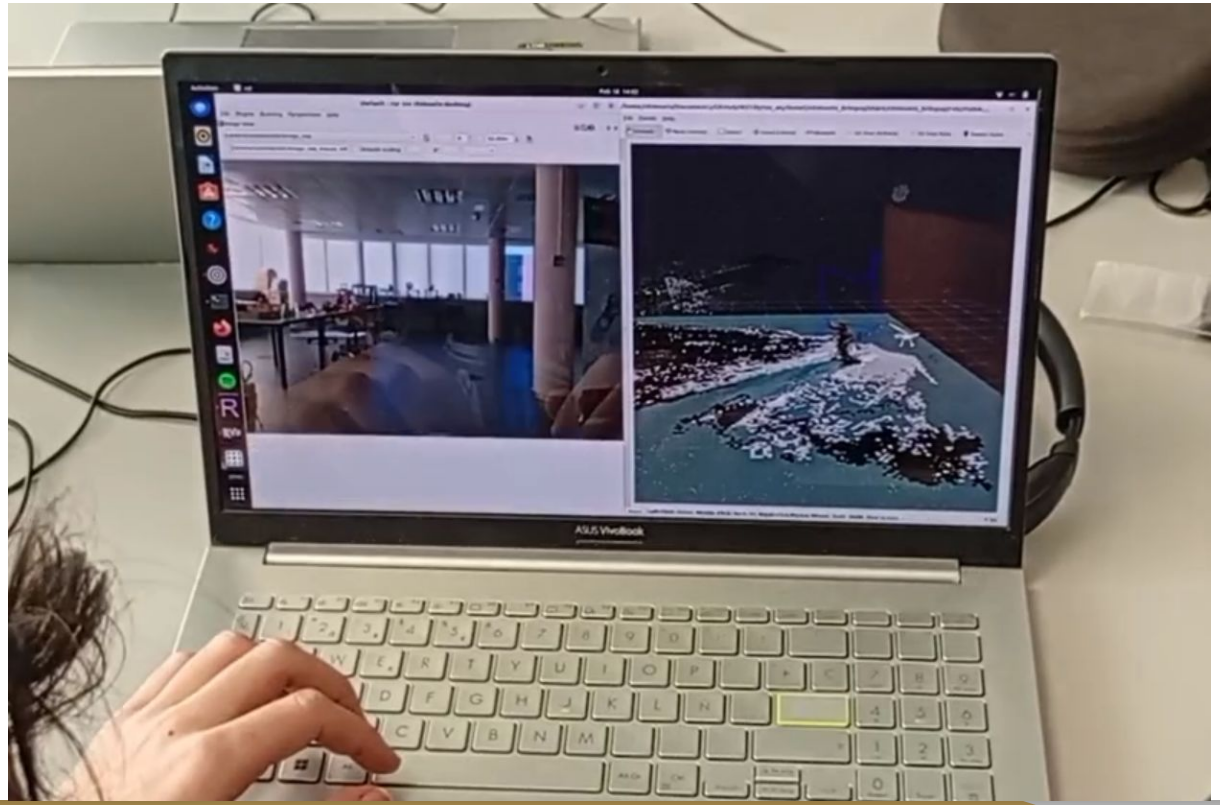


Results & Validation

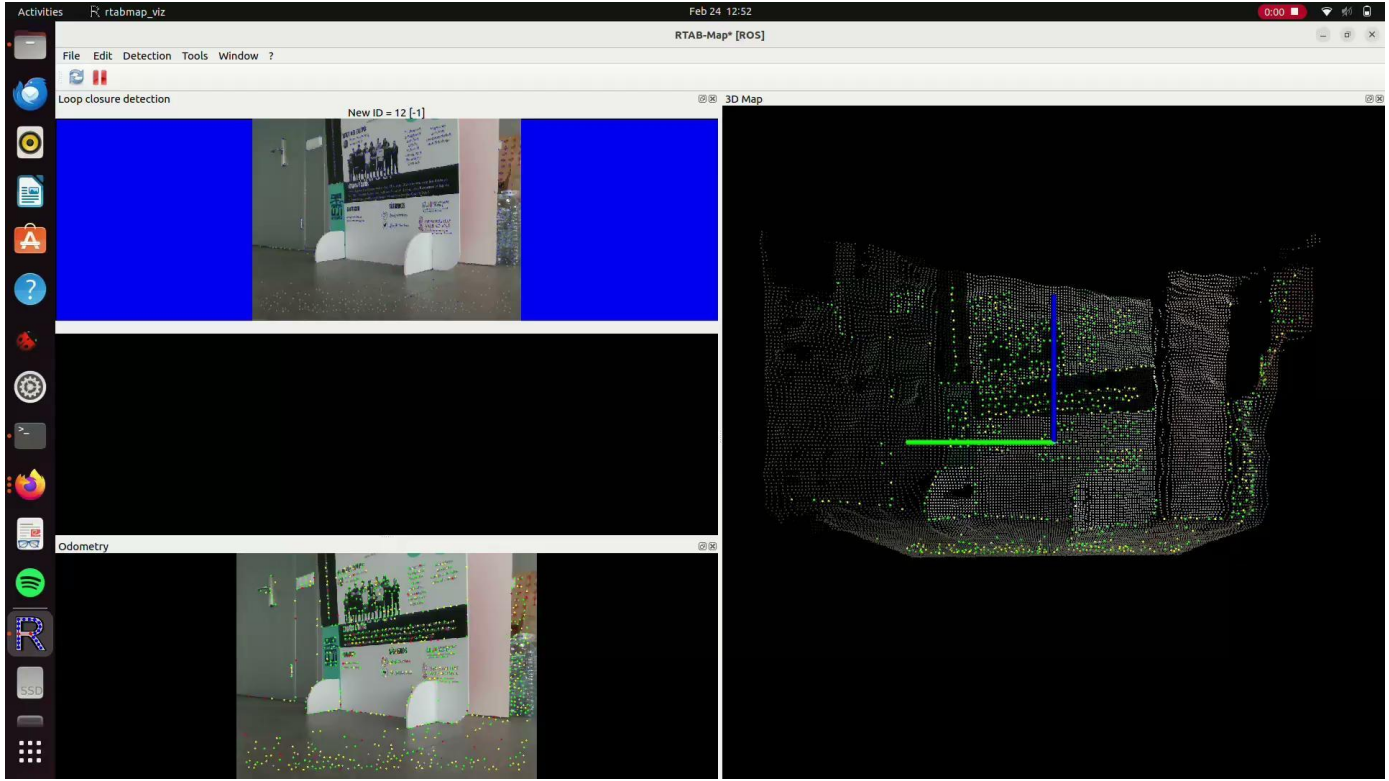


Results & Validation

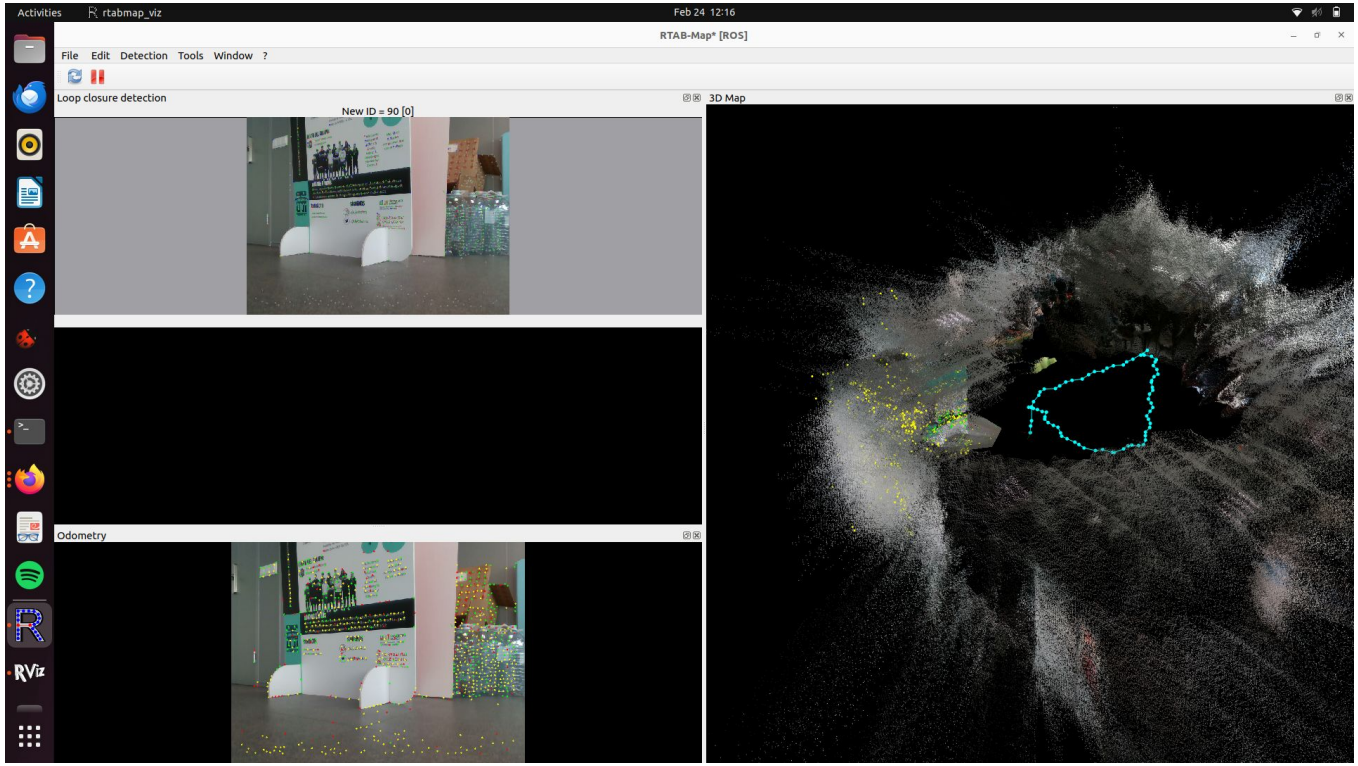
Results & Validation



Results & Validation



Results & Validation



Conclusions & Thanks
